At

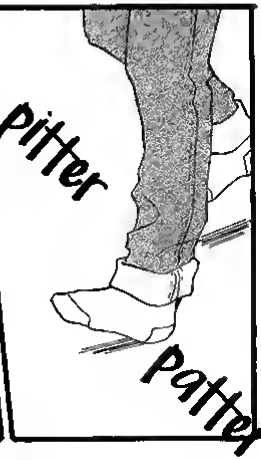
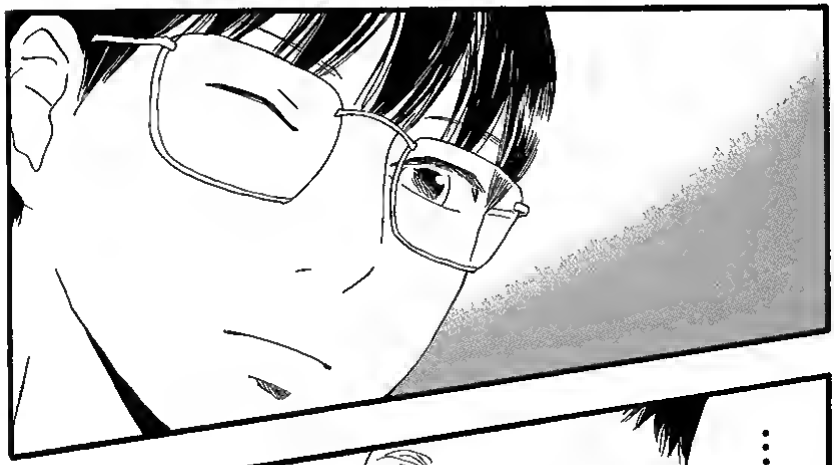
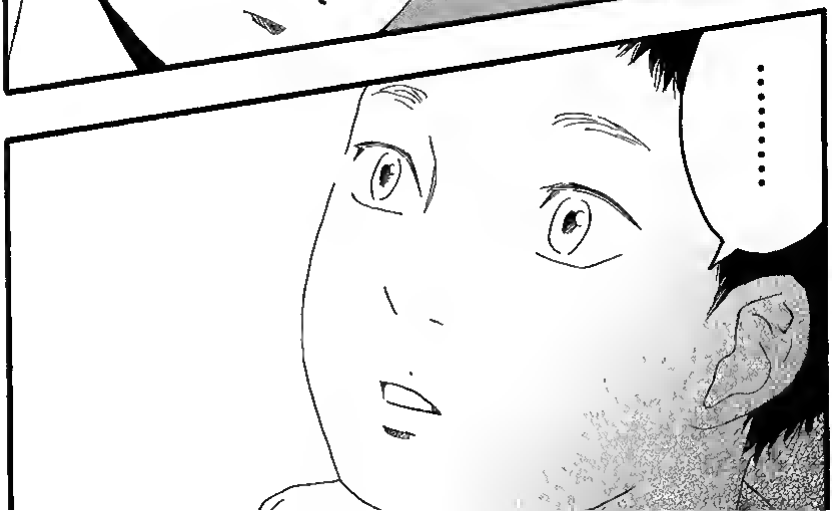
Nii-chan, good morning.
Ah, Mitsuo.



pitter patter

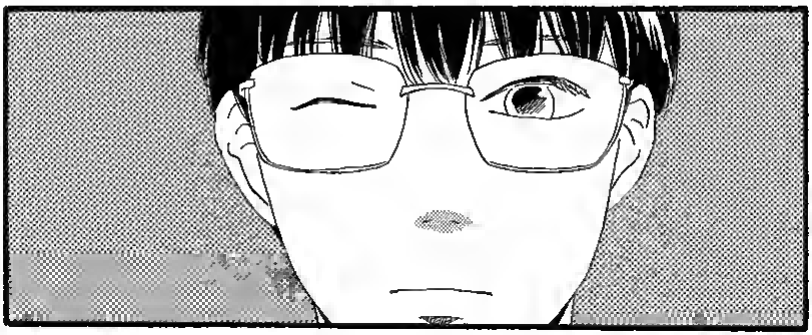




……

Eh...
ba-thump ba-thump
What...?
REACH
Your button
is wrong.
Ah, thank you.
WHUMP

Niko.
I might have a fever~
I'm taking a day off~
So sleepy~

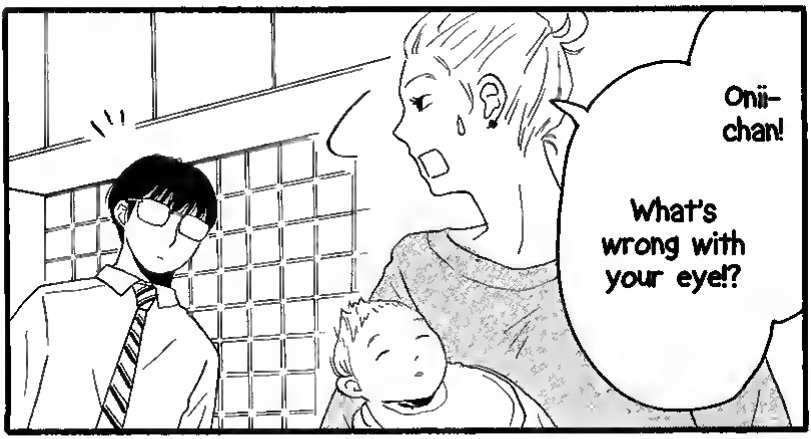


Does that mean it's okay?
Eh...?

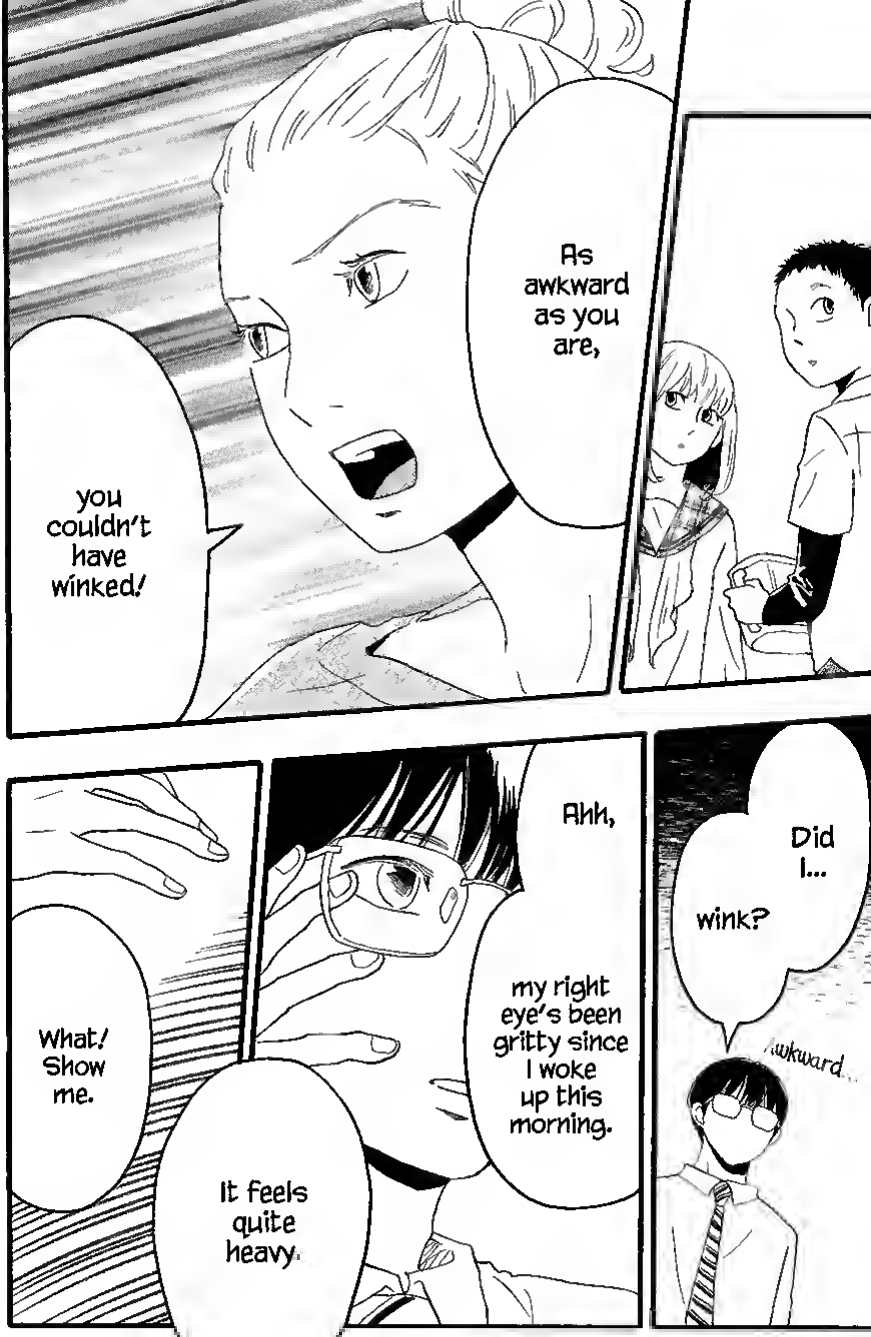
You have no fever.
I'll make coffee for you, so wake up.
Eh, then what was that wink for?
Hm.
Yes?
Hey, Onii-chan,
About the light bulb at the entrance-

ONII-CHAN SURE IS QUICK-WITTED
Then,
I'll leave it to you.

……



Onii-chan!
What's wrong with your eye!?



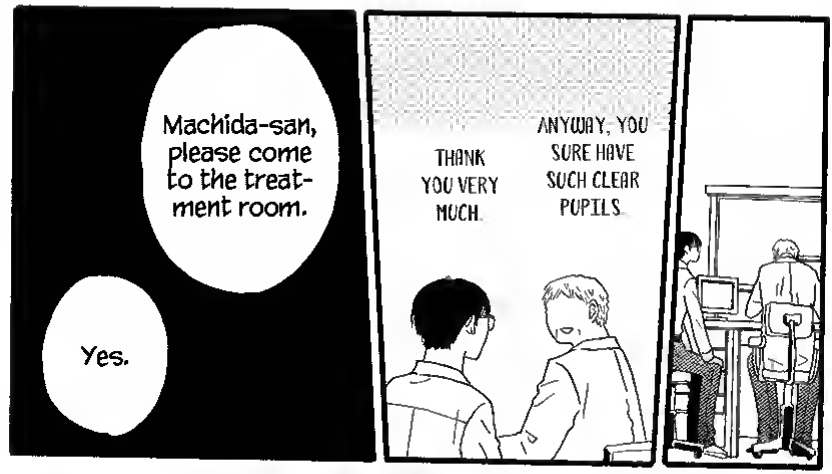
As awkward as you are,
you couldn't have winked!
Did I... wink?
Awkward...
Ahh, my right eye's been gritty since I woke up this morning.
It feels quite heavy.
What! Show me.

Ahh,
there might be a stye.
Drop by an ophthal-mologist before you go to school.
...Okay.

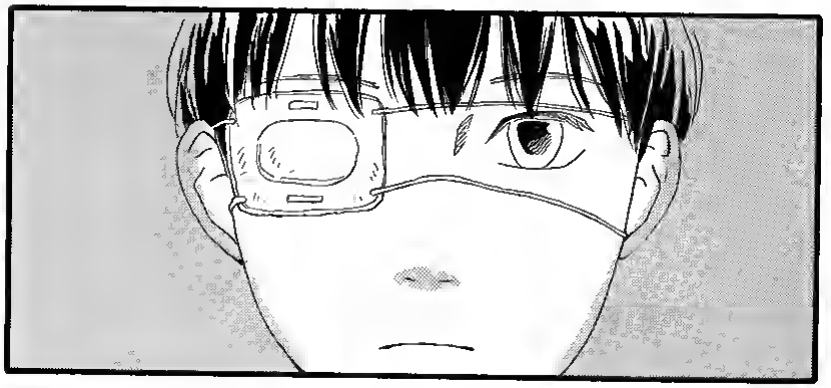
What, so that wasn't a wink?
I even swooned over it.
Me too~ My heartbeat went wild~
Wink at Shiori, too!

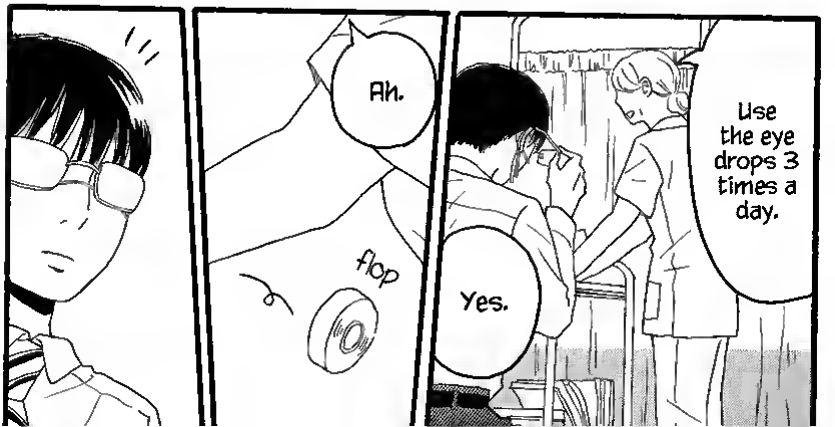
At the ophthal-mologist

Ah.
There's an inflammation.
It's a stye.
Click
Clean your eyes with eyedrops and it will heal soon.
Yes.
Will you be fine with an eyepatch?
Yes.

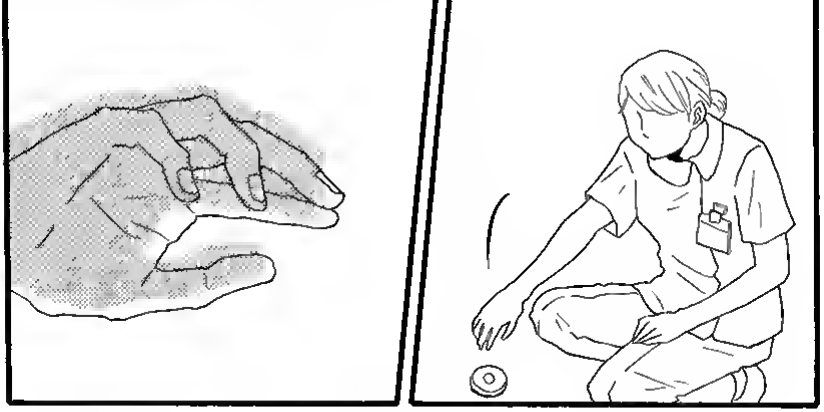


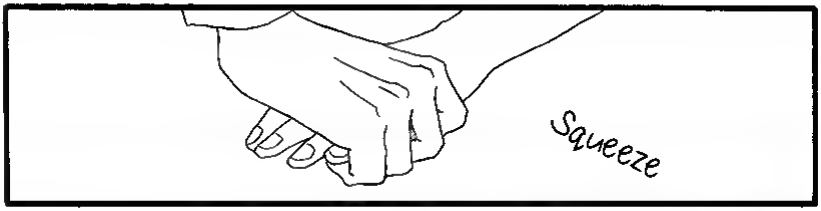
Machida-san, please come to the treatment room.
Yes.
THANK YOU VERY MUCH.
ANYWAY, YOU SURE HAVE SUCH CLEAR PUPILS.



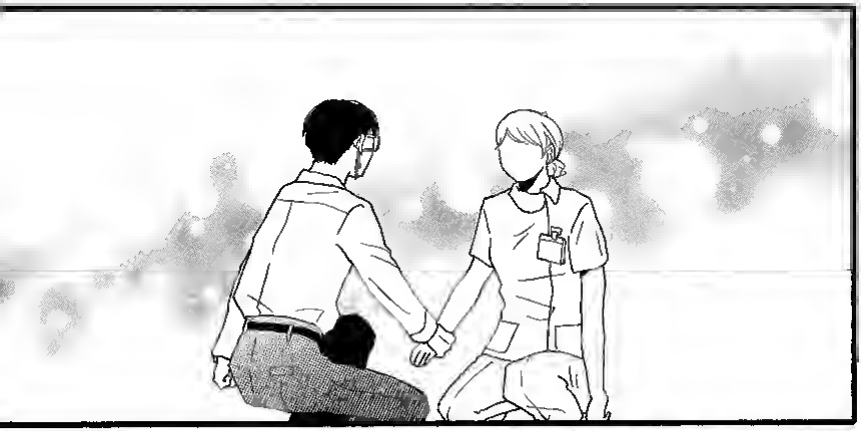


Ah.
flop
Yes.
Use the eye drops 3 times a day.



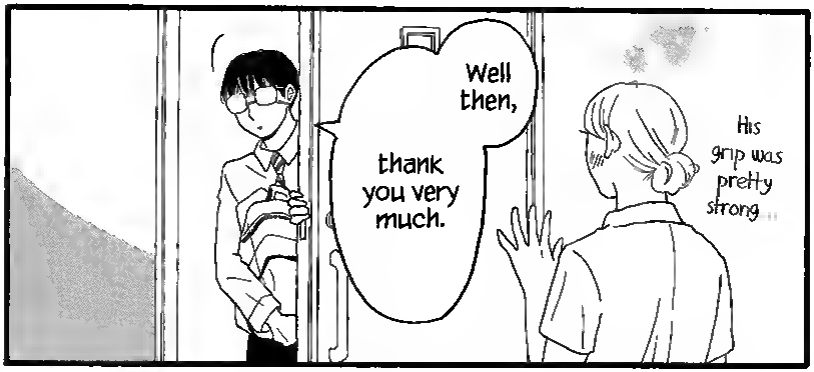


Squeeze



...Eh?

Ah!
Yes.
Right, you're only seeing with one eye now!
I was trying to pick up the tape...
Ah,
I apologize. My perception is a bit off.



Well then,
thank you very much.
His grip was pretty strong...

Yes.
Machida-san, your bill.

Your change is 400 yen.
Squeeze
...Eh?

...I apologize, my perception is a bit off.
Please come again~
Ah, I shouldn't say that
Of course. Of course.
That must be inconvenient.
Miss
Ah.

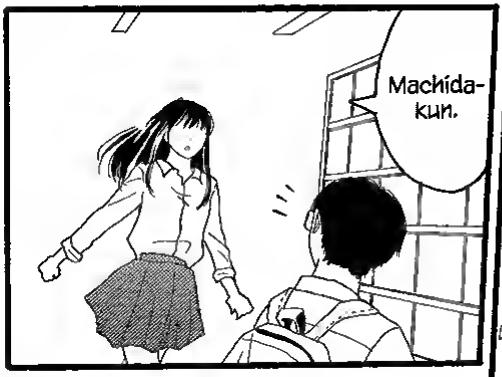
Creak
My perception...
Here you go.

At
school

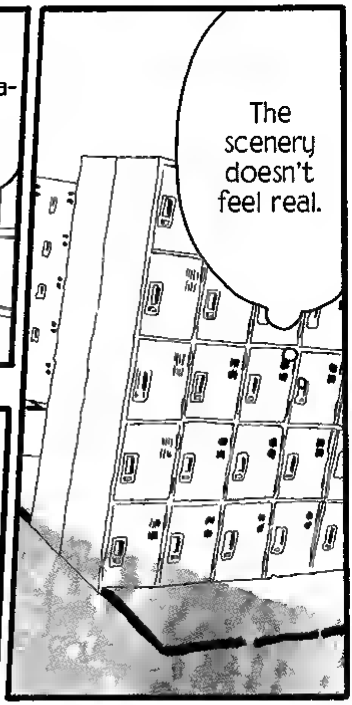
AH.

I'm kind of dizzy.

On top of only being able to use one eye,
the eye-patch is also lifting my glasses a little.

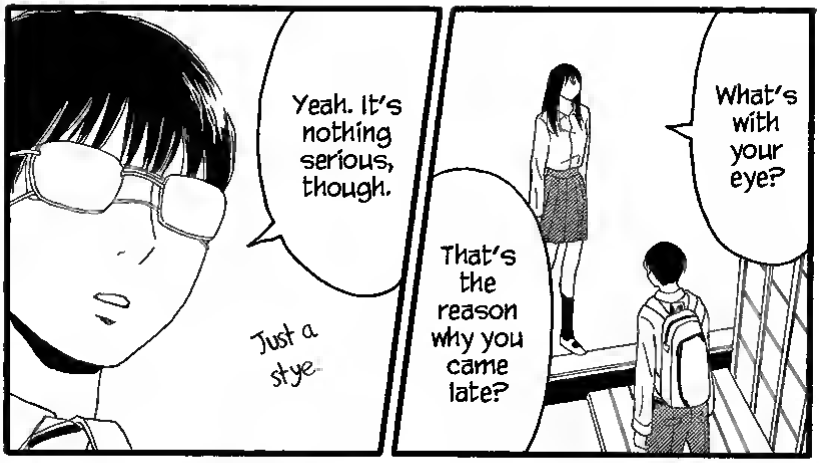


Machida-kun.

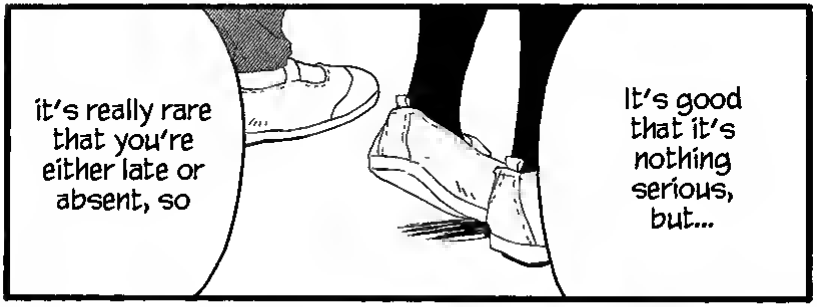


The scenery doesn't feel real.

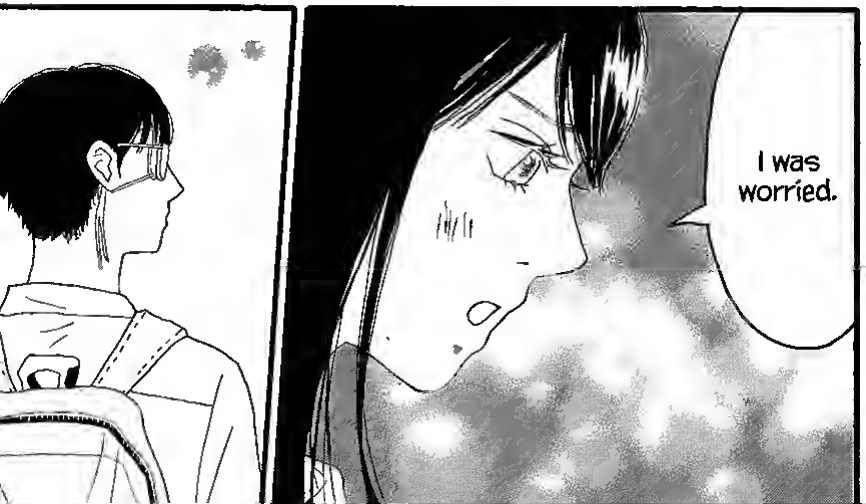
Huh?
Inohara-san.



What's with your eye?
That's the reason why you came late?
Yeah. It's nothing serious, though.
Just a stye.

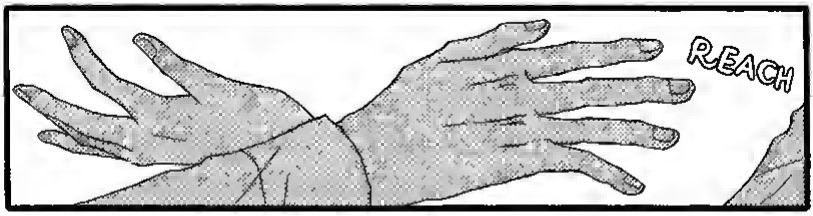


It's good that it's nothing serious, but...
it's really rare that you're either late or absent, so



I was worried.

Ah!
Will you be okay with the stairs!?
Should I lend you a hand?
Thanks.
.....

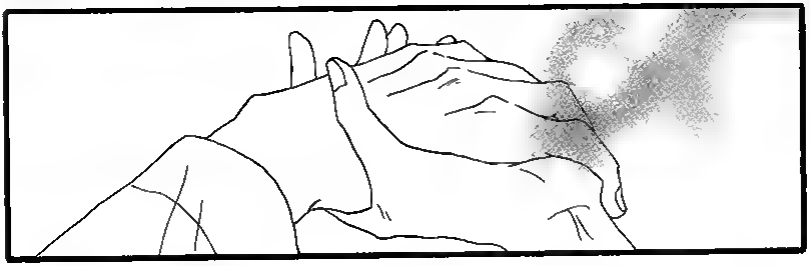


REACH

plop

Huh?
Inohara-san?
Ahh, sorry.
My perception is a bit off.
Slip
Bonk
Roll
SMACK

This is one hell of a situation
.....



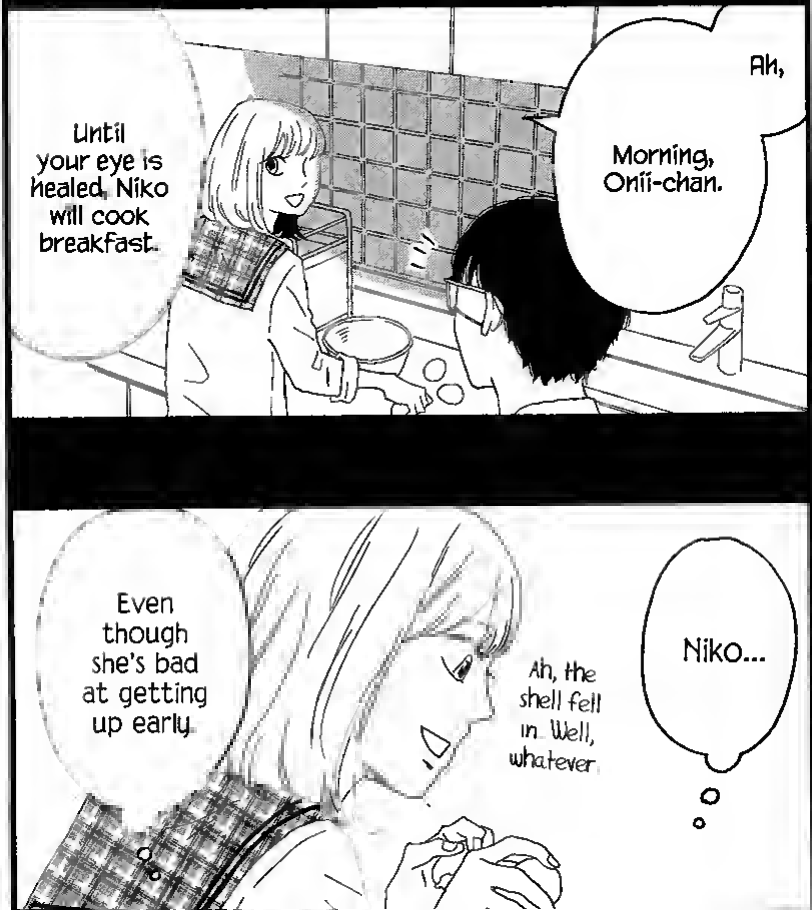
You have to wear that eyepatch?
Yeah.
It will heal in a week.
Must be rough.

If there's anything I can do, just tell me.
.....
Thank you.

Even after your eye is healed,
Since I've received a lot of precious things from you, Machida-kun,
I want to return the favor.

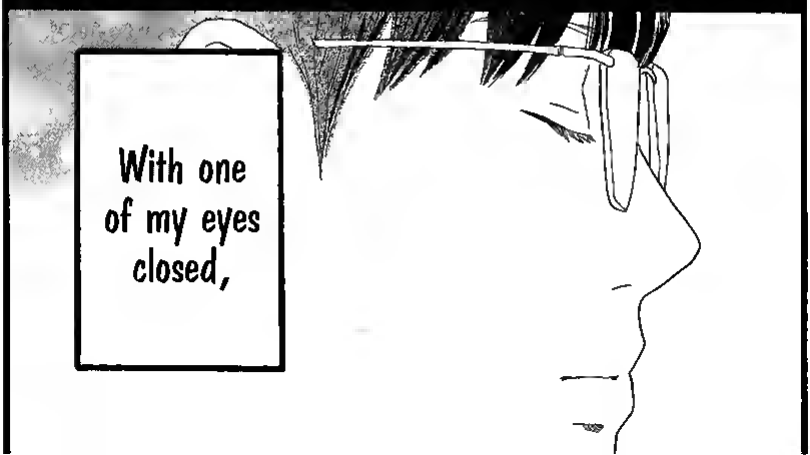
Ding dong
been thinking that way of me.
So you've always
.....
Huh, Machida, what's with your eye?
A stye.
Are you all right?
Thank you.
Should I lend you a hand?
Machida-kun, you have a stye?

Gasp
WHAP
Machida-kun!!
.....

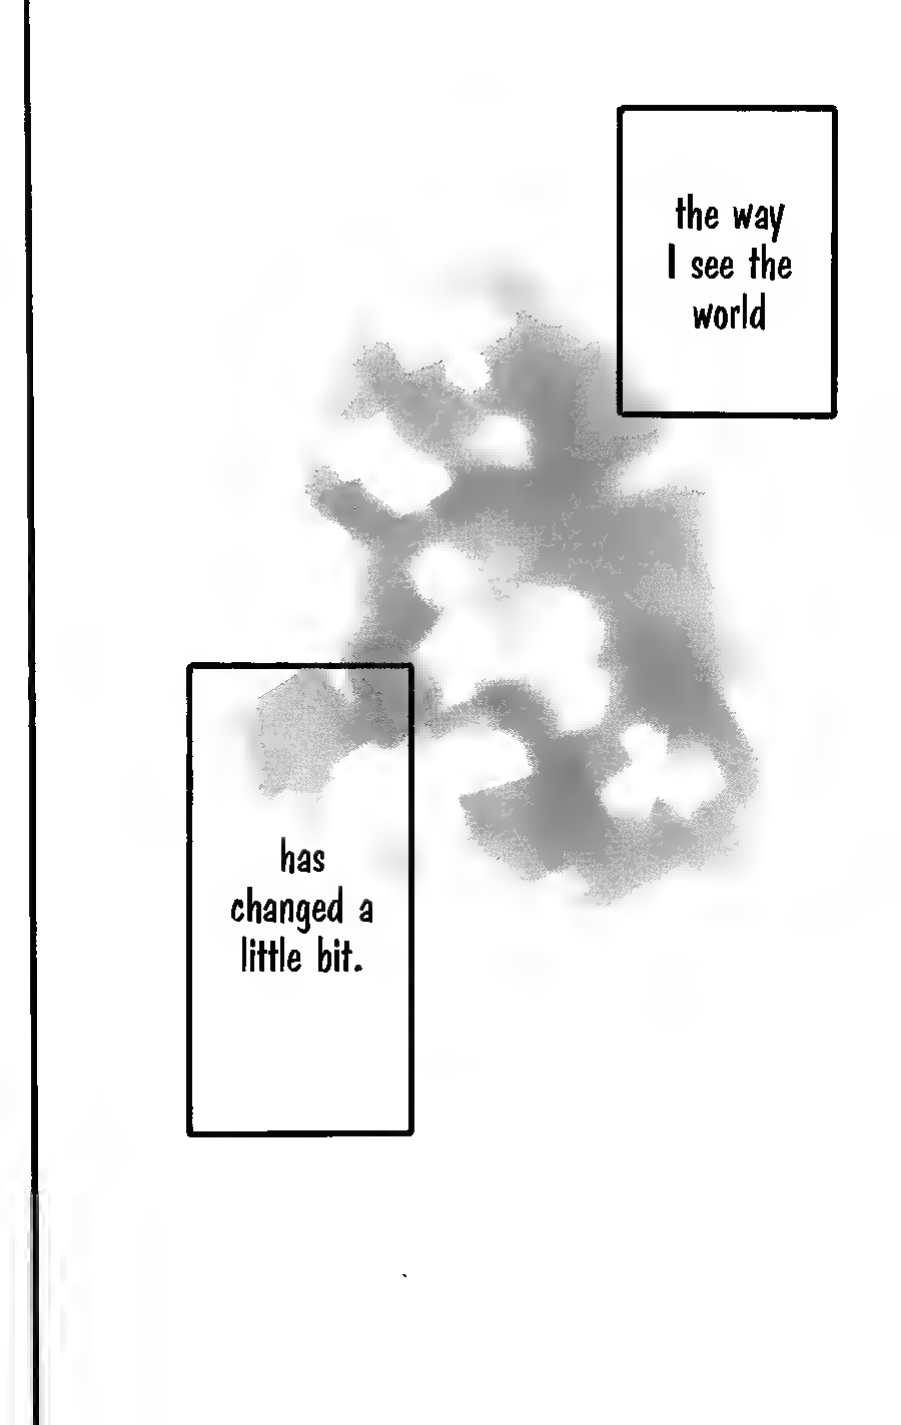


Ah,
Morning, Onii-chan.
Until your eye is healed, Niko will cook breakfast.
Niko...
Ah, the shell fell in. Well, whatever.
Even though she's bad at getting up early.

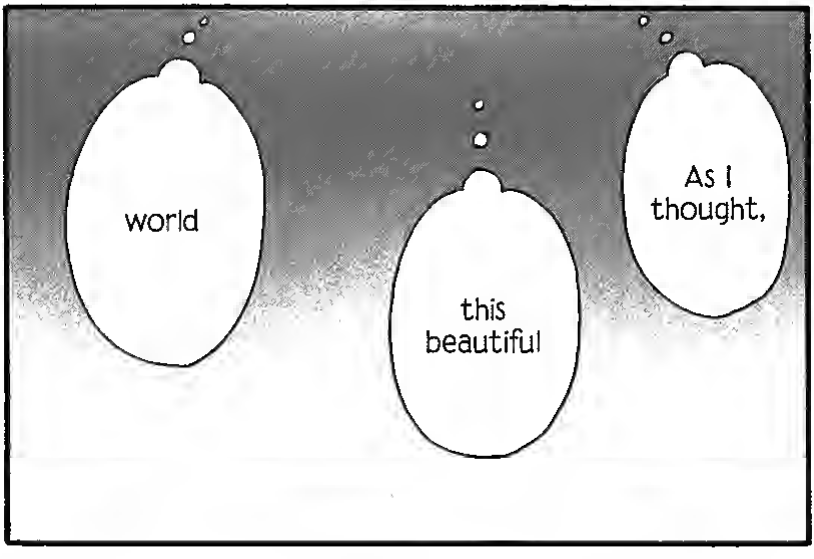
Machida-kun, it's hard for you to see the blackboard, right?
I'll take notes for you, too!
.....
Thank you, Nishino-kun.



With one of my eyes closed,



the way
I see the
world
has
changed a
little bit.



As I thought,
this beautiful
world

stays as is either way.

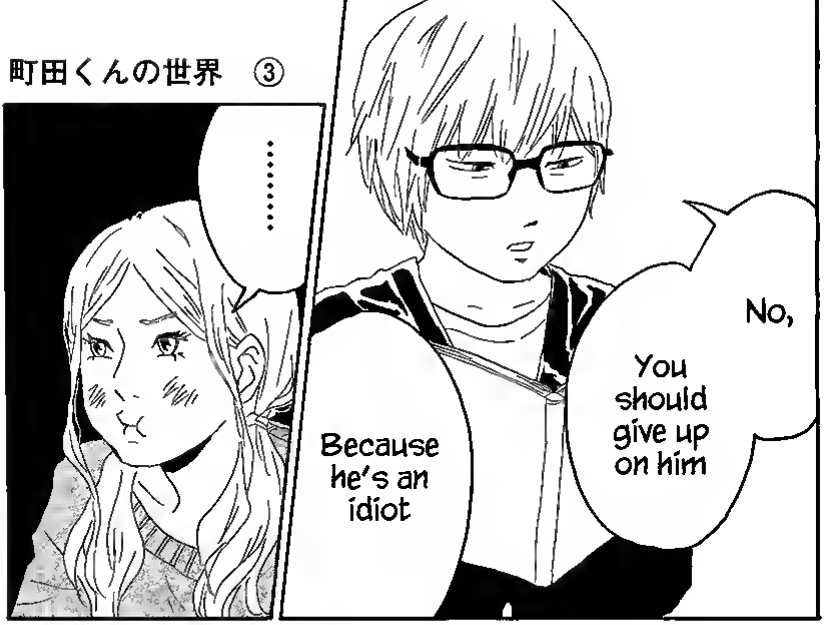
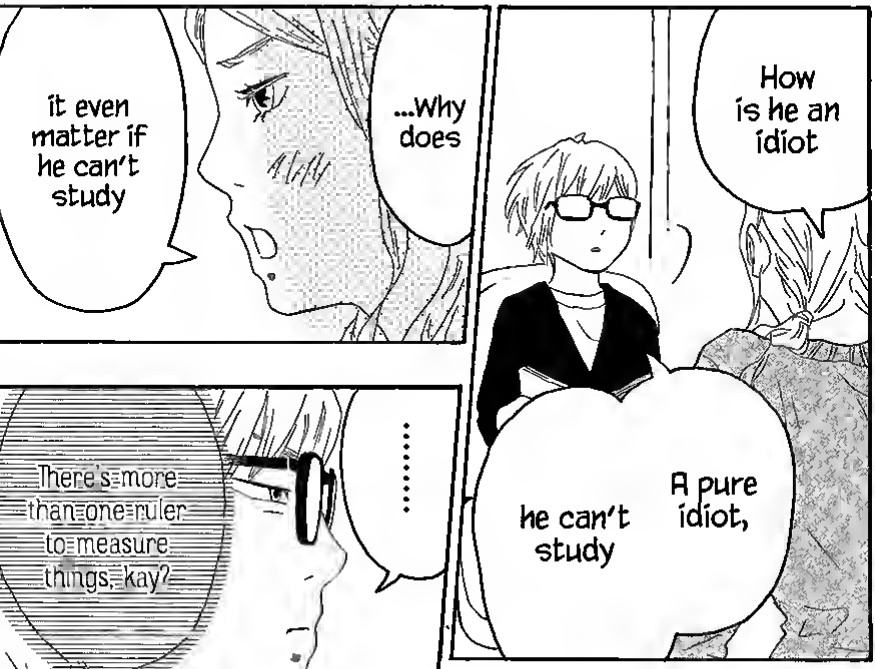
There's more than one ruler to measure things, 'kay?
See you.
You should come again

Nee-chan
Hmm?
Give up on Machida Hajime
Patter patter
Haji-me!?
That's how you read it!?
His name
Why do you know!?
He's the brother of a class-mate
No way,
intro-duce us!
Good job dear little brother



No,
You should give up on him
Because he's an idiot
.....



How is he an idiot
A pure idiot, he can't study
...Why does it even matter if he can't study
.....
There's more than one ruler to measure things, kay?

Eh
YOU IDIOT
DO YOU NOT UNDERSTAND WHAT NOT BEING ABLE TO STUDY MEANS?
It's proba-bility
The probability of a low income future rises
Nee-chan, do you have the economic power
If your educational background is terrible
To put bread on the table by yourself!?

Uh
.....
Nee-chan's dream is to become a housewife right?
Moreover, are you really a 4th grader?
Y-
You're jumping too far ahead...
I get that you're smart
But if you're like that you can't make friends, right?
Iku, you are too blunt! You could have been nicer
you're not wrong but
That's right but,

I need any friends

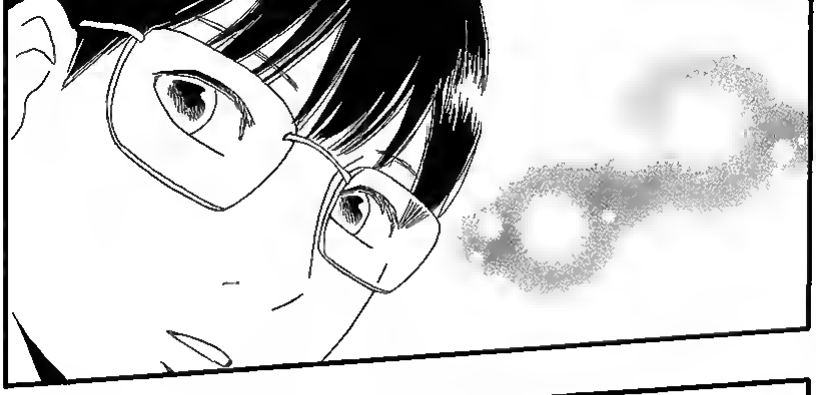
Machida Hajime
Thank you for the umbrella
Ma-!?
Hello
thump thump

Creak
I heard from Mitsuo that you won't come by anymore?
.....

Although Mitsuo, like me is bad at studying
he has a lot of good aspects as well
Please get along with him
.....
He's
A good guy

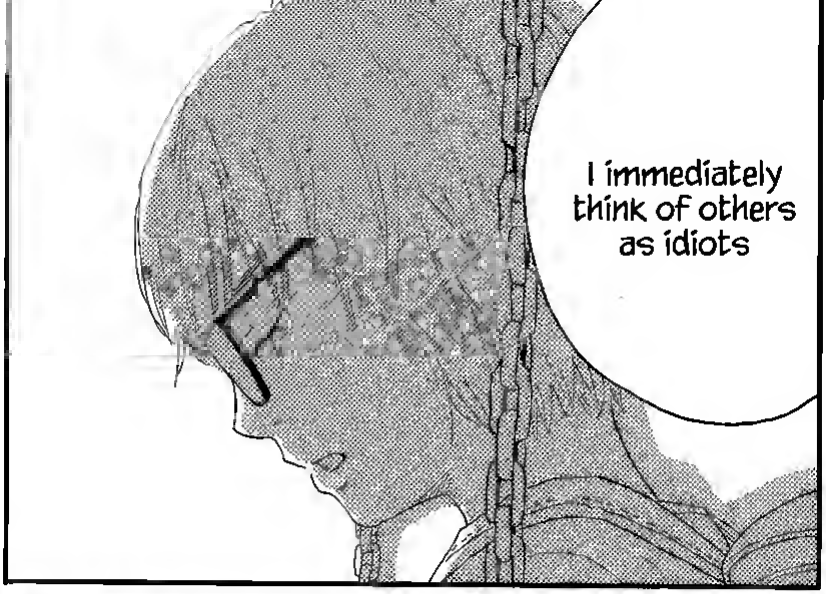


He gives others a positive feeling
He's honest
He isn't fooled by rumours

He's amazing
Even
Even though he's an idiot

To someone like me
……
I see
Then,
……
why won't you come anymore?

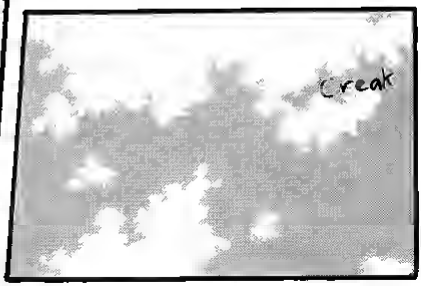
Because
I have a bad personality
I can't get along with others
……



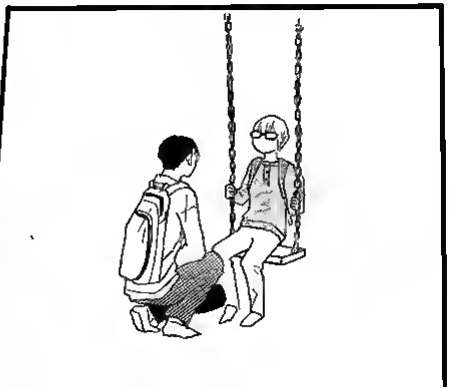
I immediately think of others as idiots

I won't change myself
I always wonder, why can't I do better
I have no right to make friends
someone like me would only make others uncomfortable
It's obvious that
But
I'm unlikeable

But I like it?
Kiritani-kun's personality!



Creak



You call them idiots but,

Sorry, I mis-understood you and said some weird things the other day
You were properly looking at Mitsuo
You already had of a lot of rulers.

It's not that
you looked down on them right?
Yeah
Because you're smart
You try to find a way
to help others with what they're bad at.
It's

You don't need a right to make friends
Not that I hate idiots
Ma-chida-kun
.....

Kiritani-kun
What are you doing
Oh, this?
I'm making a wall so that the ant's nest doesn't get stepped on

.....
Yeah, he's definitely an idiot
Machida-kun

Can I call you Mitsuo?
Hm?
Yeah

Then can I call you Iku?
...Yup!

Love, it's everyday life.

I've brought home puppies and kittens.
whine
whine
Since a long time ago
What is it?
whine whine
Mino?
whine whine
that was the truth
At least,
Was an animal abandoned here?
What's over here?

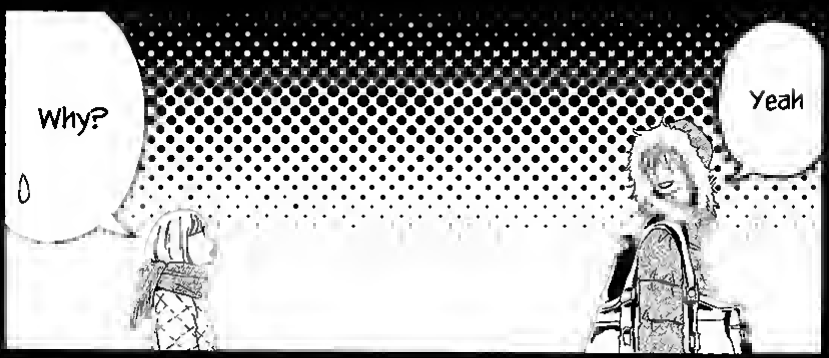
until now.
Huh? But
He's not dead, is he?
Seeing a person there really scared me.
You startled me!!
surprised
You-

Mishima-kun?
.....
.....
Who are you?
.....
...Hmm
.....
It's Matsui.
We were both in class 4 during 2nd year...
That's right
I remember seeing you!
sparkle

Were you sleeping?
If you sleep here this time of year,
won't you freeze to death?
Are you walking your dog this late?
Yeah
I was sleeping before but my dog needed to use the rest-room...
Isn't it dangerous?
Taking him out-
You call that careless?
Woah
It's already past mid-night.
Oh-
I was careless.
Haha
You've saved my life, Matsui-san.

Ah
Oh
My house is here, so
Ah!
If you don't need that cardboard, can I have it?
Huh?
.....
Yeah...
See you later!
Thank you

.....
Mishima-kun!
Is it possi-ble
that you're planning on sleeping outside?
Yeah?

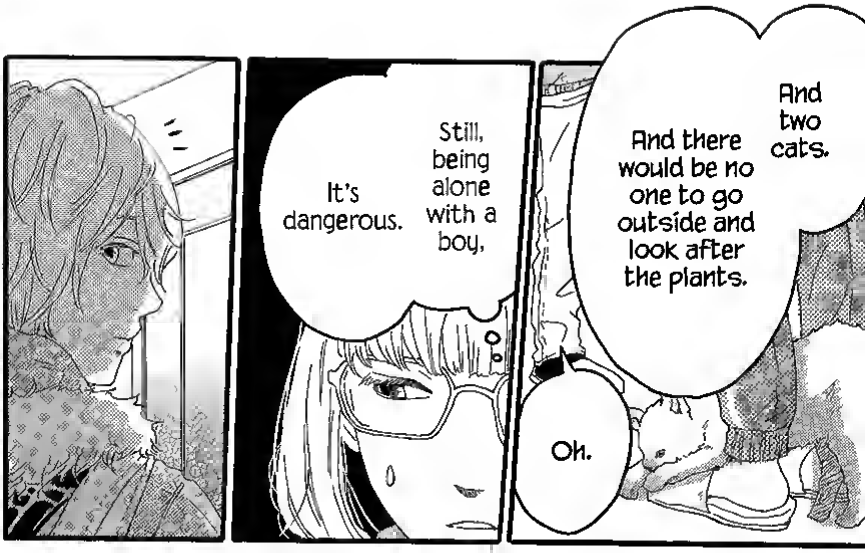


Why?
Yeah

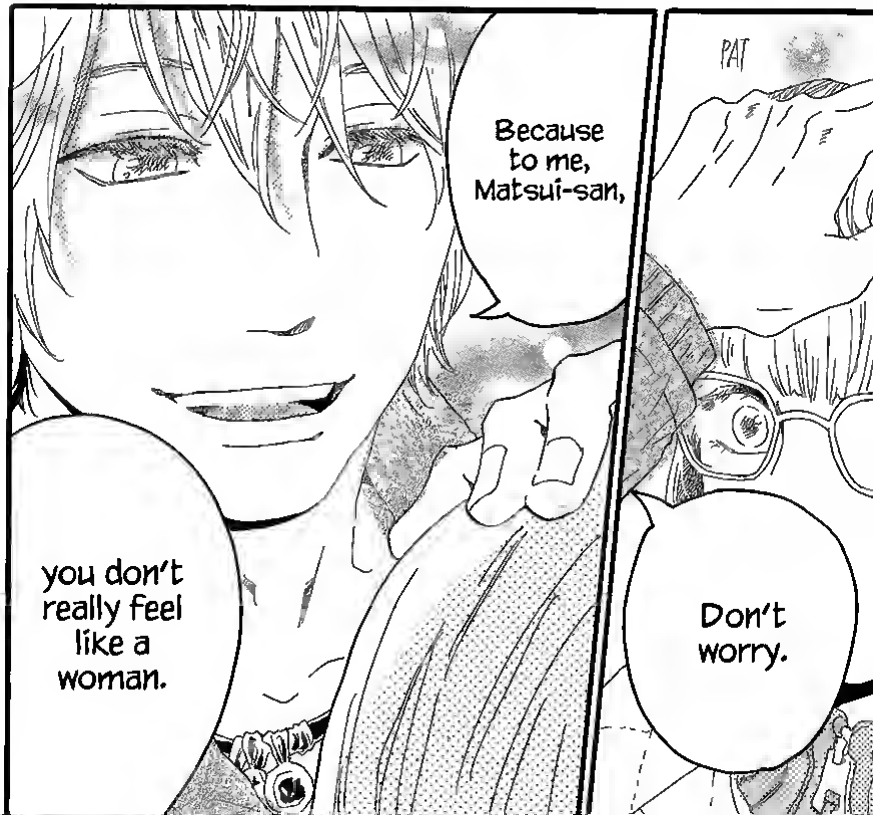
I ran away from home.
.....
Don't you have any friends?
Not at this time of night.

What about an internet cafe?
I don't have any money.
.....

Ah
Sorry to barge in like this.
I ended up bringing home a person.
Wow
Matsui-san, do you really live here alone?
Yeah
But it's only been two months.
Are your parents working overseas? Did they not want to take you with them?
Oh...
We have a dog.



Oh.
And two cats.
And there would be no one to go outside and look after the plants.
Still, being alone with a boy,
It's dangerous.



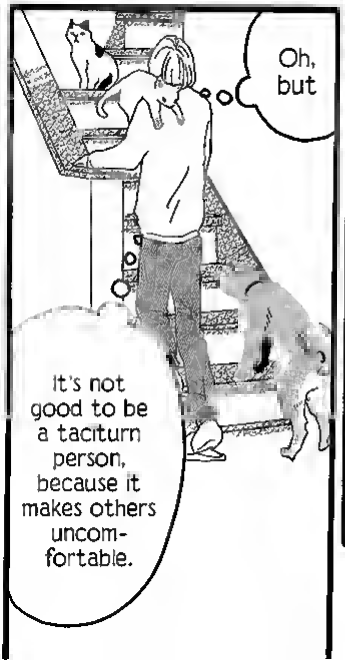
Because to me, Matsui-san,
you don't really feel like a woman.
PAT
Don't worry.

Don't they say that it's best to be indirect?
Well,
Be-sides,
When I accidentally ate my little sister's pud-ding, she was really angry with me.
I got in trouble
and ended up leaving.
Why
Oh, is it okay to eat this?
When I was thinking about who I should go to, I fell asleep.
Well,
by that time it was already 11 o'clock.
It's okay
did he leave over something so small...

We've talked enough.
Oh, right.

HEY
IS IT OKAY IF I GO TO SLEEP NOW?
Seriously
Thanks so much, Matsui-san.

Is it okay for you to sleep on the sofa?
With a blanket
That's more than enough!
Anywhere is okay!



Oh, but
It's not good to be a taciturn person, because it makes others uncomfortable.

Well, goodnight.
'Night ☆
step

It's a strange situation, but
I would regret it if he froze to death.
Well,
Isn't it okay for one day?
Matsui-san, Good Mor-
Hey
sizzle
Matsui-san, are you not able to cook?
Mishima-kun, did you make these?
It's surprising
Hehe
Wow
This is awesome!

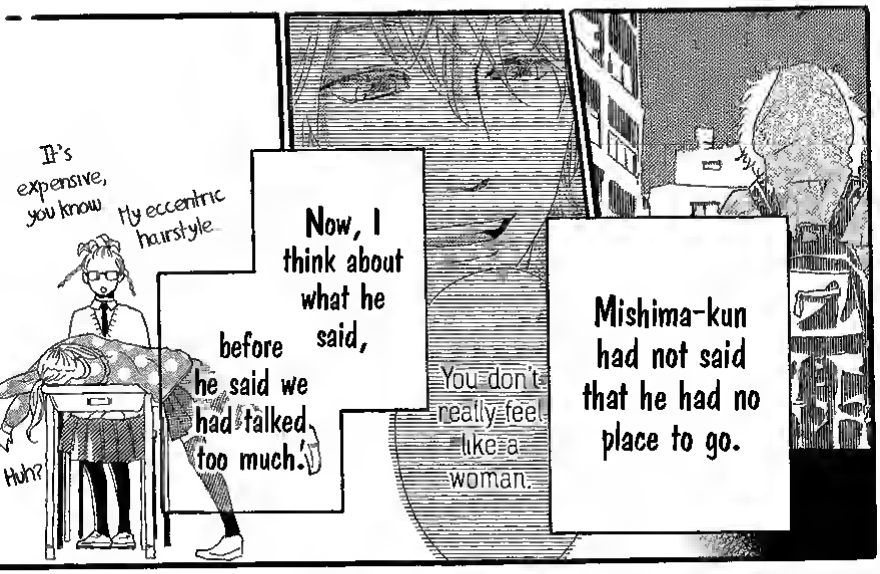
This is awkward.
What do you mean?
Haha
Just a feeling from looking in the refrigerator.
He knew from looking in the refrigerator?
Okay, eat, eat
Do you have a dream?
Is it just a feeling?
Huh?
Mishima-kun, since you're a person who makes food everyday,
That dream for the future will come true.

Since my dream for the future is to be a house-husband.
Yeah- soon
No
I can't carelessly scorn him.
Gasp
What is your dream for the future?
Oh, I don't have one.
Matsui-san?
It's the same, isn't it?
It's just a difference in wording
Dreams for the future
A full-time housewife

Haha, It's no good forcing it out of you
The answer is no!
Haha, an immediate response!
Yeah, it's no.
Mishima-kun makes
I'm kind of happy
He gave me that.
everyone around him smile
if he thinks something is lovely.

Mat-tsun
Did you come to school with Mishima-kun today?
grrrah
Huh?
Yeah
Miwa-chan, don't hit my head
I was surprised to see you together.
Yeah? Like everyday,
When I pick up stray animals and look for their owners.
Ah, well
You thought something had happened.
Hmm, Mishima isn't flashy, is he?
How did you meet?
What, that story?
An ordinary person
has a narrow view.

Yeah
Mishima-kun is probably sensitive.
What
Is he flashy?
Ah
But he's not an ordinary person.
Yesterday
Ehh, that's unexpected.
I think he's an amazingly diligent person.

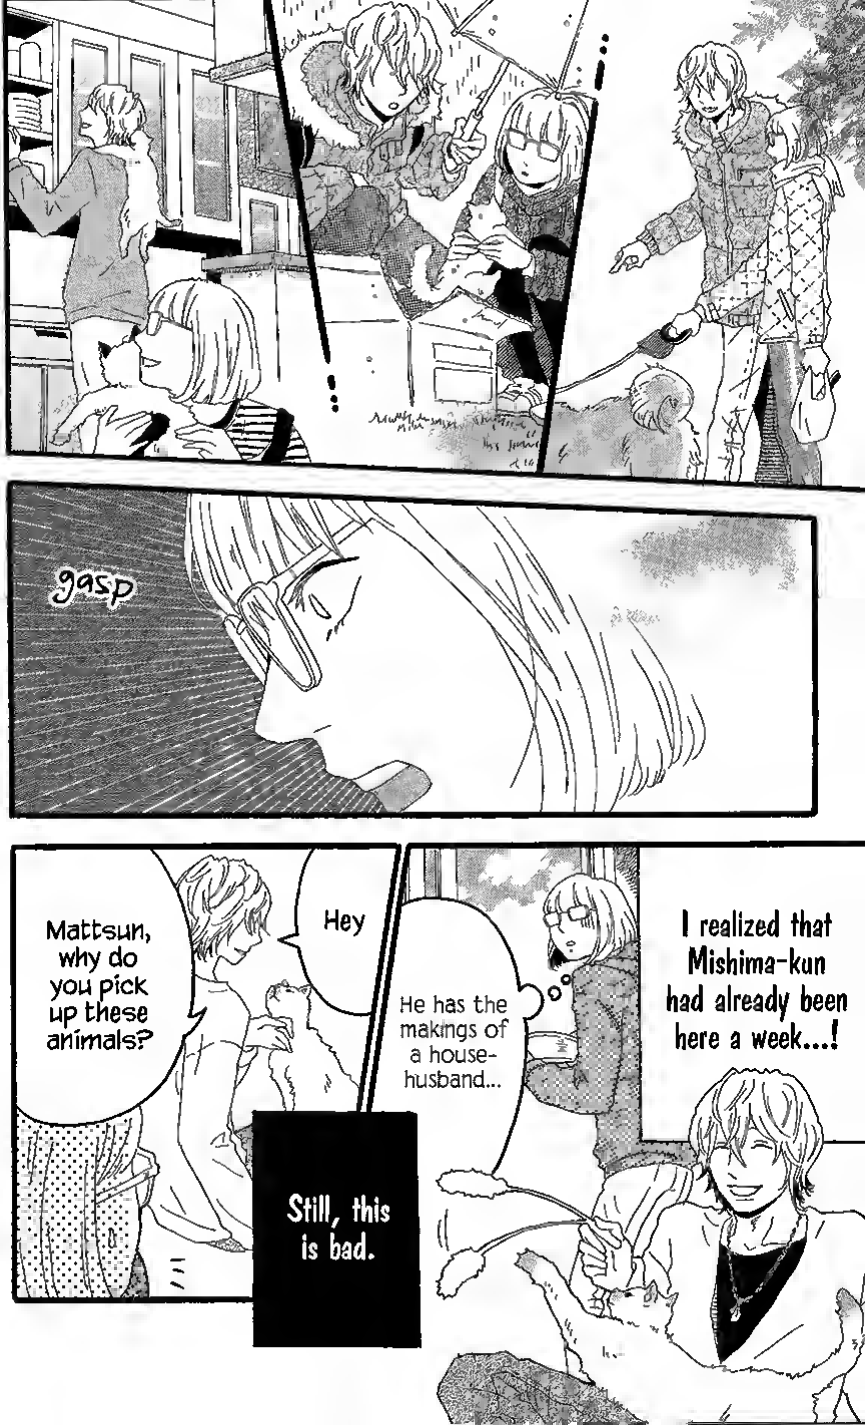


It's expensive, you know
My eccentric hairstyle
Huh?
Now, I think about what he said,
before he said we had talked too much.
You don't really feel like a woman.
Mishima-kun had not said that he had no place to go.

Mattsun
Probably, he thought he should say it for my peace of mind.
He's good at cooking.

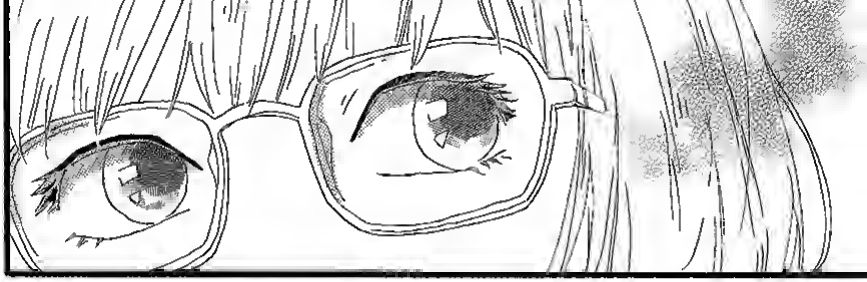
Let's go home together.
Huh?
Hattsun?
Put your heavy bag down.
Oh,
Right
It's a man's job.
Carrying heavy shoppings bags and stuff.
Oh! That's nice.
It's heavy!
Today? Are you really going home?
No way! I'm not going home right away, you know.
I ran away from home!
I don't want to brag, but I have a lot of friends.
It's a lot of places to go
Of course,
I'm too proud to ask them.

Okay, I'll make dinner tonight.
Really?
Thanks.
Oh
Did you forget to tell me?
What?
The time is...
Well, is this okay?
Yay
Thank you.
Do you want to stay here?
.....
It had only been one day.



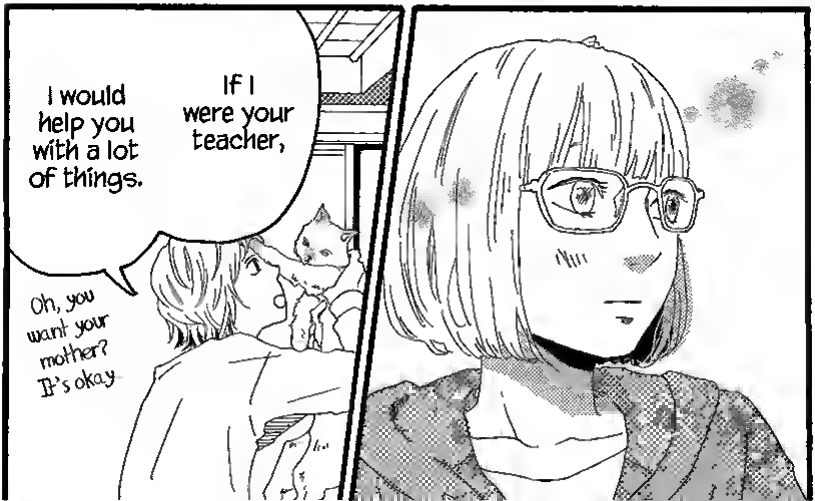
gasp
Mattsun, why do you pick up these animals?
Hey
He has the makings of a house-husband...
I realized that Mishima-kun had already been here a week...!
Still, this is bad.

Was it Mino?
.....
Oh, probably
When I found the first dog,
I thought about keeping it.
It makes me uneasy.
Taking care of this puppy means I can't just watch the others.
That's right.
Hmm
It's an impartial love.
About your dream for the future.
Huh?
Did you tell the teachers at school?



Mattsun
People can't see their own strong points.

Is it caring
for ani-
mals?

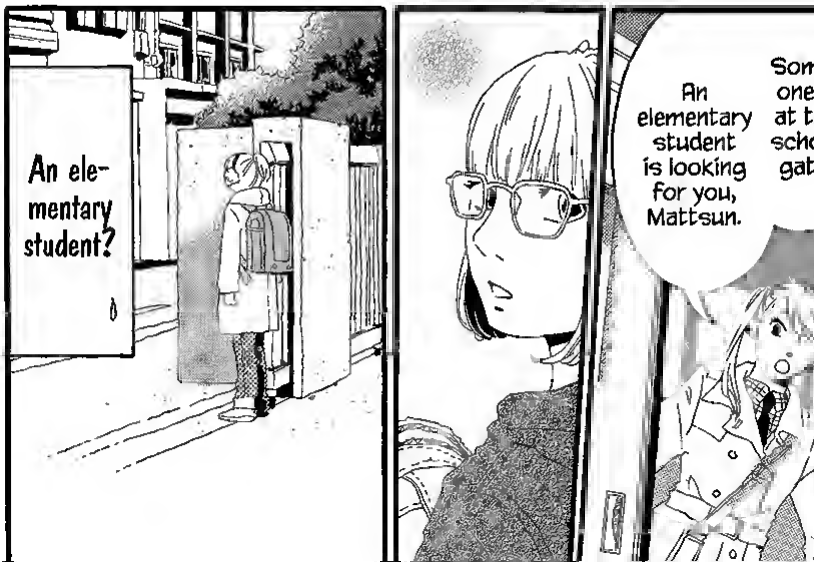


If I were your teacher,
I would help you with a lot of things.
Oh, you want your mother? It's okay

That isn't
Mishima-kun
can't see his own strong points.
Haha
You can see me more intensely.
I'm jealous.
Our strong points aren't the same,
since Mattsun is really great.
some-thing that
just anybody would say.
.....
A teacher?

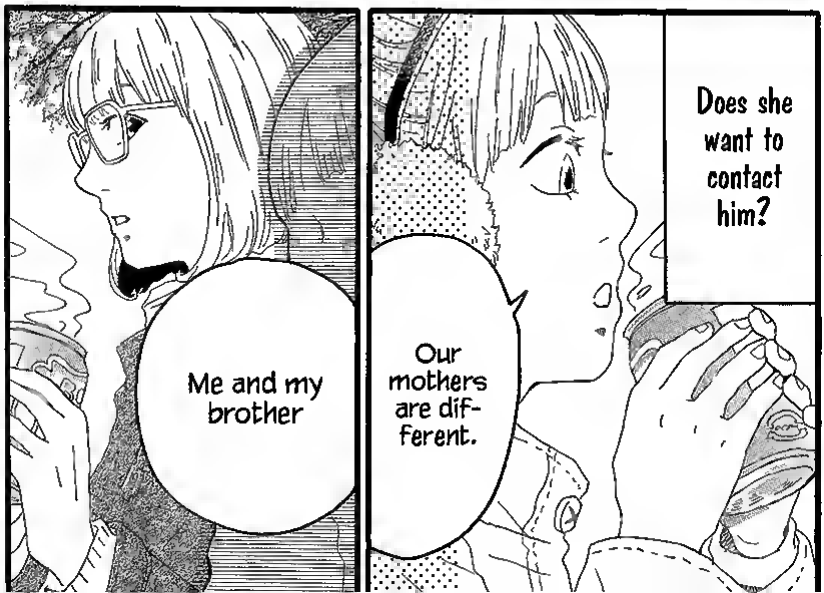
It's probably still the same, but
BING BONG
Well, it's okay.
Omu-rice
Fuwa-toro
What do you want for dinner tonight?
.....

English 2
Mattsun,

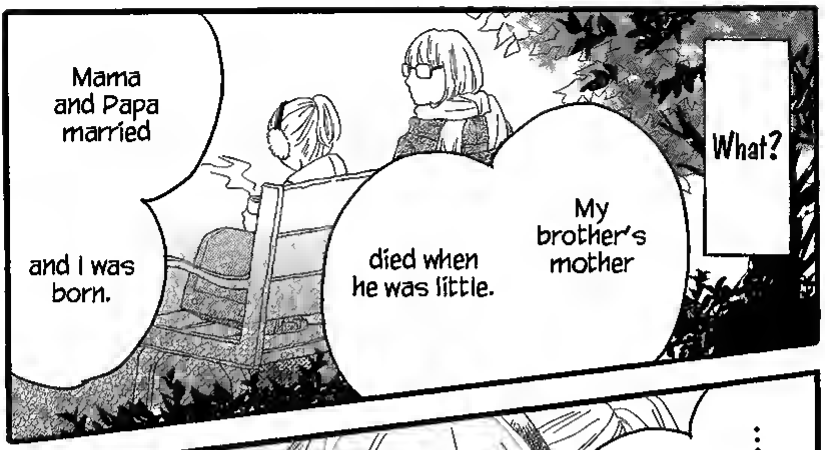


An elementary student?
An elementary student is looking for you, Mattsun.
Someone's at the school gate.

Hi
It's nice to meet you. I'm Mishima Rin.
You've been helping my brother.
Mishima... Oh
The one with the pudding?

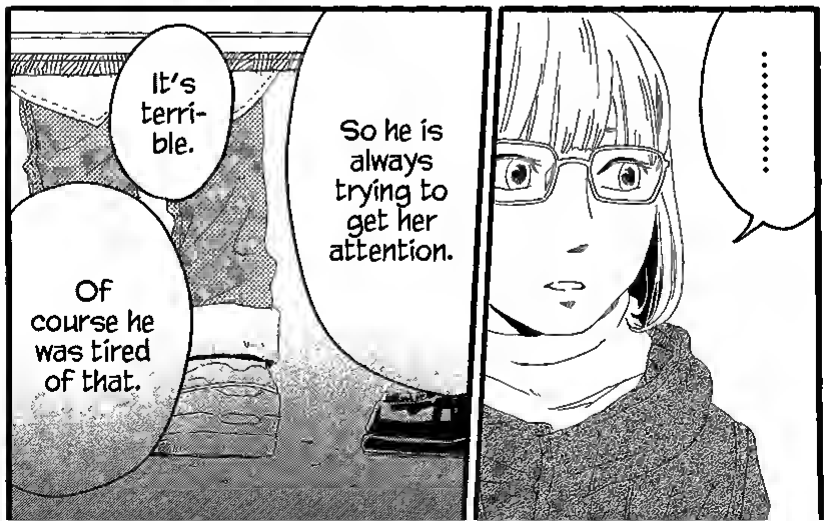


Does she want to contact him?
Our mothers are different.
Me and my brother



Mama and Papa married
and I was born.
My brother's mother
died when he was little.
What?

.....
...Mama is a little colder to my brother...

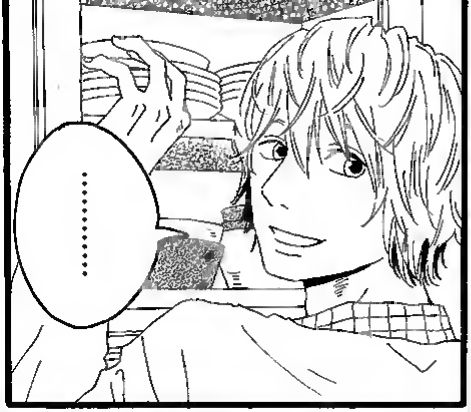


It's terrible.
Of course he was tired of that.
So he is always trying to get her attention.
.....

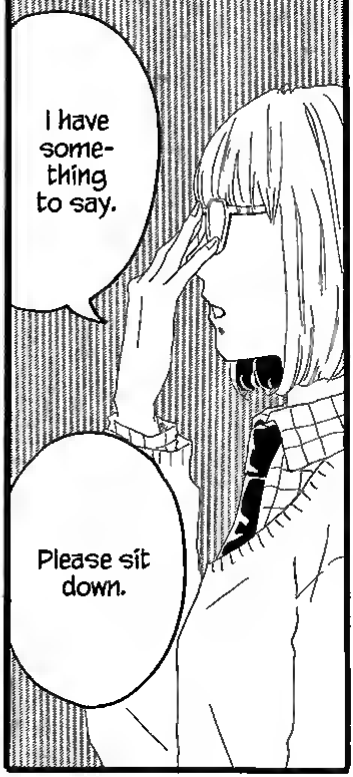
I don't think he should be causing trouble at someone else's house.
But I want to be with my brother.
The pudding incident was only an excuse.
Or, was it not that incident
from the beginning?
Wouldn't you say that my brother should come home?
So
I knew
.....

Mi-shima-kun
Good and smart.
that you were a good kid, Rin-chan.
pat
Why did he decide to cook?
Why does he adapt to peoples' spaces?
Why is he so diligent?

Mishima-kun is a liar.
Thinking about that
Mishima-kun
I stopped thinking
it was lovely.

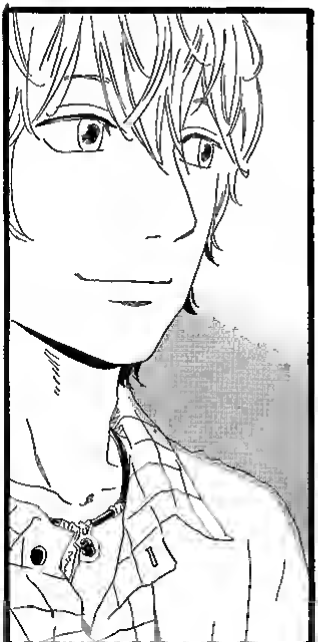


.....



I have something to say.
Please sit down.

Is something changing?
Is it about the teachers?
Yeah



Mishima-kun
Go home.

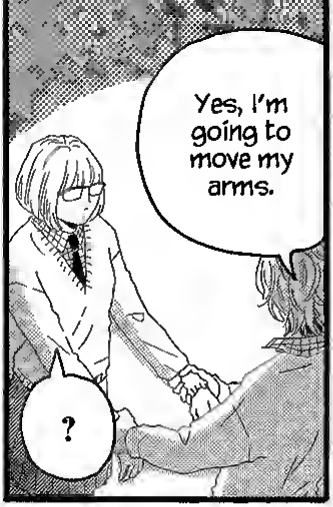
Oh.
Did I stay too long? I'm sorry.
It's not that.
It's not a problem that you've stayed here too long.
It's because you should go home.
I met Rin-chan.
She told me about you.
Oh.
.....

Still, it was reckless.
At least, I imagine it was.
She said it was difficult for you at home.
You should go home now,
but you should aim to become offically independent.
.....
Because Mishima-kun's problems

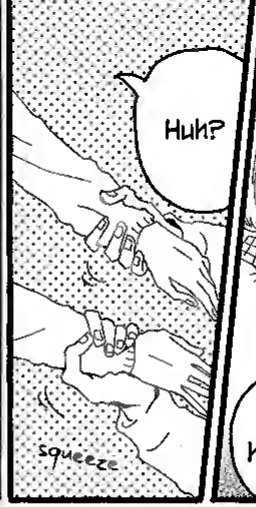
shouldn't have affected me,
Sorry if I can't give you a good reason.
You're right.
No
But if you're still tired,
It's okay for you to take a break here.
I couldn't do anything.
CLATTER
Clatter
I'm not related to you
so it's bad in a lot of ways.
.....

Because I was
able to rely on you a lot!
Love is just a thing
...

Oh
Is Mattsun hitting on me!?
What!? No, no
It's...
Like a mother's love
It's wide.
A mother!?
I won't accept that.
.....
Aha



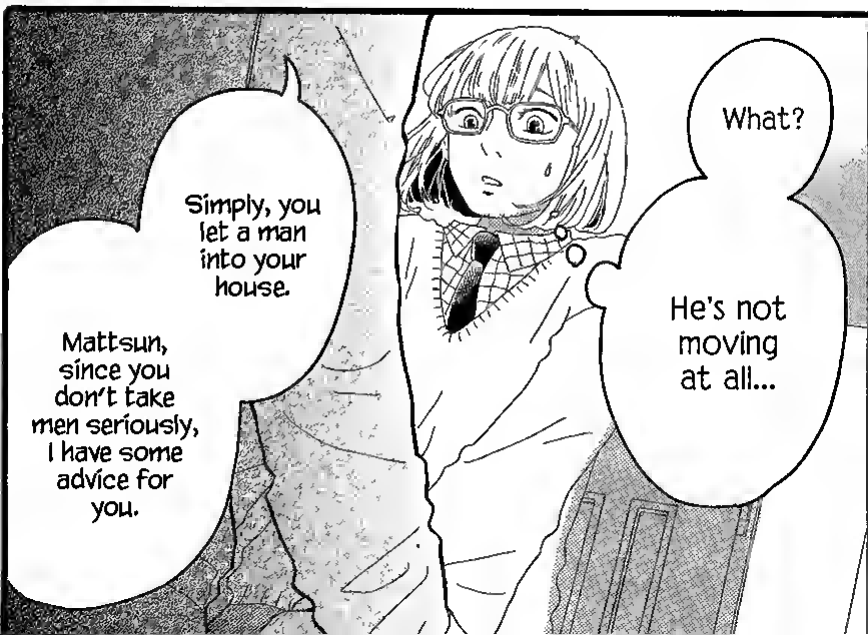
Yes, I'm going to move my arms.
?



Huh?
squeeze

Give me both hands.
My hands?

.....



What?
He's not moving at all...
Simply, you let a man into your house.
Mattsun, since you don't take men seriously, I have some advice for you.

If you do something like that, it leads to this!

A small kind of change.
For that reason,
Love is
I'll come again right away.
Am I the only man who can come to your house?

'Cause the manager's divorced and self-employed.
Normally we'd be concerned, but we're not, right?

Ugh—
She had dinner with the manager.
She should know that he's got his eyes on her?
And she's got a boyfriend.

More like... bitches?
But anyway, guys sure like those easy-to-read, attention-seeking girls.

All you do is complain.

But
others weren't considerate,
was so disappointed that

I made Aoi anxious.

Can't you be consider-ate of me at all?

I don't even give her a call,

Why

We couldn't meet often,

Who's the one that wasn't considerate?

Why did
that girl cry, I wonder?
Are they going to have a fight?
If I
even so, if they

were considerate of each other, shouldn't it all be fine?
